

## INTERNATIONAL PERFORMANCE DESTINATIONS:

# PORTUGAL

Portugal performance trips offer a unique experience for your group. Have your choir perform in one of the first baroque churches in Portugal: The Clérigos Church. Experience EXchange! Sessions, Colorful Voices Workshops and Masterclasses at the World Choral Expo. Have your orchestra perform in Lisbon International Youth Music Festival. Take an educational music workshop at the University of Coimbra. Portugal will give your group plenty of opportunities to learn, explore and showcase your musical talents. This destination has everything for your Portugal performance trip. Portuguese influence during the Age of Discovery was the key to the opening of Brazil and Indonesia to Western civilization. Today's Portugal is a delightful blend of yesterday and tomorrow, a sun-drenched, history-filled, most hospitable part of the Iberian peninsula! Portugal's most notable contribution to music is Fado. Is your group ready to make life-long memories with unforgettable performances in Portugal?
