

U.S. PERFORMANCE DESTINATIONS:

Austin

Austin performance trips offer a unique experience for your group. Stimulate the mind by visiting a masterclass, workshop or clinic to work on your group's performance skills. Perform in an iconic Bands of America event or let your voices be heard in the Texas Performing Arts Bates Recital Hall. Austin will give your group plenty of opportunities to learn, explore and showcase their musical talents. Austin is known as the Live Music Capital of the World® but that's just the beginning. Home to unique attractions and world-class museums, Texas' capital city has a soundtrack all its own. Spend a day exploring sculpture gardens, zipline through the Hill Country or give the students a hands-on experience at a number of STEM museums. Home to the University of Texas flagship campus, Austin is known for its eclectic live-music scene centered around country, blues and rock. Its many parks and lakes are popular for hiking, biking, swimming and boating. Your students will learn, perform and make memories deep in the heart of Texas.
