# Germany

German Classical music is one of the most renowned in the world. Famous names such as Ludwig van Beethoven, Johann Sebastian Bach, Felix Mendelssohn, Johannes Brahms, Robert Schumann and Richard Wagner filled the venues of this historic country. Performers can not only perform in some of the most historic venues around, but venues and events are so plentiful. We have had past groups give multiple once-in-a-lifetime performances in one trip! Your group can also enjoy the collection of nearly 800 instruments spanning European musical history from the 16th to the 20th century in the Museum of Musical Instruments. Germany performance trips offer world-class opportunities to your students. Here is your group's chance to perform at iconic venues such as the Altenberg Cathedral, St. Thomas Church, the Heiliggeistkirche, St. Jakob's Church, or Pfarre St. Andrae, Festival Hall of the Burgerhaus Karlsfeld, or Bad Neuenahr, and much more. With educational workshops, masterclasses, and rich musical history, Germany will give your group plenty of opportunities to learn, explore and showcase your musical talents.
