

U.S. PERFORMANCE DESTINATIONS:

Hawaii

Music Travel Consultants offers a variety of Hawaii performance trip opportunities. Whether your group is participating in an educational clinic at the University of Hawaii, your orchestra is performing at the USS Missouri, your band is marching in the Honolulu Festival Parade of Bands or your choir is singing at Hale Koa, the USS Bowfin, the Polynesian Cultural Center, Ala Mona Center or Kawaiahao Church, your Hawaii performance trip will be rewarding and memorable. America's gem in the Pacific Ocean, the islands of the 50th state will please you like no place else! The opportunities outside of performances are one-of-a-kind and the destination highlights are out of this world. Swim with Hawaiian green sea turtles or discover the mysteries of the Ka'eleku Cavern, visit historical sites in Pearl Harbor and enjoy the traditions of the island. If your students are ready to snorkel in the crater of a volcano, fly through gigantic eucalyptus forests on ziplines and take helicopter rides though Valley Isle, your Hawaii performance trip will leave you breathless.
