

U.S. PERFORMANCE DESTINATIONS:

Norfolk

Experience the rich history of the Norfolk waterfront with its maritime museums and naval base, vibrant art scene and a variety of museums. You will be able to experience the rhythm of steel drums from the Virginia Arts Festival Pan Fest, perform on the deck of the USS Wisconsin BB-64, or have a personal masterclass and clinic at a local university. Explore and take in the sights as you walk the coastline or board walk. This destination is an excellent option for a Norfolk performance trip. Nestled along the banks of the Chesapeake Bay is the city of Norfolk. Known for the world's largest naval base and the North American Headquarters of NATO (North Atlantic Treaty Organization), this city offers much more. From the booming arts scene, the Virginia Symphony, Virginia Opera and the Virginia Stage Company, you are always within reach of the performing arts.
