

U.S. PERFORMANCE DESTINATIONS:

Philadelphia

The City of Brotherly Love is a hub for great performance opportunities along with wonderful attractions and first-class entertainment. No matter if your orchestra is performing at the Independence Hall Visitor Center, your choir is singing at the Cathedral Basilica of Saints Peter and Paul, or your marching band is performing in the Philadelphia Independence Day Parade or Philadelphia Thanksgiving Day Parade, this city has everything for your Philadelphia performance trip. Known as the birthplace of life, liberty and the pursuit of happiness, from 1800 to 1830, Philadelphia was also known as the largest city in America. Here, your group can explore the city where the Declaration of Independence and the U.S. Constitution were created. Philadelphia is full of captivating museums, lovely parks and national historic sites. If your students are ready to learn about the mural capital of the U.S, why Pennsylvania is not spelled correctly on the Liberty Bell or about the Curse of Billy Penn, Music Travel Consultants can make your Philadelphia performance trip rewarding and memorable.
