

U.S. PERFORMANCE DESTINATIONS:

Pigeon Forge

Pigeon Forge performance trips offer a unique experience for your group. Your group can demonstrate their talents before prestigious adjudicators at the Smoky Mountain Music Festival, electrify crowds on the stage at Dollywood or participate in an interactive workshop at Country Tonight. Along with educational performances, your students can see a dazzling firefly synchronized light show and take a scenic chairlift to Anakeesta where they will enjoy ziplines and canopy walks. Pigeon Forge has everything for your performance trip. Situated at the northern entrance of the Great Smoky Mountains National Park, this popular retreat is full of adventure for your group. Ridge upon ridge of forest straddles the border between North Carolina and Tennessee in Great Smoky Mountains National Park. World renowned for its diversity of plant and animal life, the beauty of its ancient mountains and the quality of its remnants of Southern Appalachian mountain culture, this is America's most visited national park. Take in the incredible natural landscapes of Great Smoky Mountains National Park, see black bears and wildflowers, catch the spray from a waterfall or visit Cades Cove. With more attractions than you can squeeze into one trip, your students can also enjoy nearby theme parks, downtown Gatlinburg, museums, shopping and breathtaking outdoor activities along with great opportunities for performances.
