

INTERNATIONAL PERFORMANCE DESTINATIONS:

Quebec City

Quebec City offers student ensembles an unforgettable opportunity to perform in one of North America's most historic and picturesque cities. Groups can share their music at stunning venues such as the Salle Dina-Bélanger, known for its acoustics and classical ambiance, or the Chapelle du Musée de l'Amérique francophone, a beautiful chapel often used for chamber performances. Your young performers can engage in cultural exchange concerts with local schools. Educational institutions such as the Conservatoire de musique de Québec and Laval University occasionally host masterclasses and clinics, offering students the chance to learn from seasoned Canadian musicians and faculty.
