

## INTERNATIONAL PERFORMANCE DESTINATIONS:

# Toronto

Toronto performance trips offer a unique experience for your group. Take the stage at Walter Hall at the University of Toronto Faculty of Music. Participate in an educationally fun, physically active, movement and rhythm workshop, and a great workout for the brain with MusiCamp. Your choir can compete in the International Federation for Choral Music or sing at the historic and majestic Casa Loma Castle. Toronto will give your group plenty of opportunities to learn, explore and showcase your musical talents. This country has everything for your Toronto performance trip. The name Toronto is derived from an Iroquois word "tkaronto", meaning "place where trees stand in water". Being the capital of Ontario, Toronto is a major centre of education, industry and many cultural organizations, supported the largest number of professional artists and is well known music city all over the world. There are plenty of opportunities for various types of performing groups. For most of our groups, this location is pretty close to home.
