

INTERNATIONAL PERFORMANCE DESTINATIONS:

Vancouver

Vancouver performance trips offer a one-of-a-kind experience for your performance group. Participate in an educational opportunity at the University of British Columbia and take part in workshops and masterclasses followed by a concert. Take the stage at the Queen Elizabeth Theatre & The Orpheum or fill the Koerner Recital Hall with your group's performance. Perform and participate in workshops/clinic rehearsals through the Vancouver Jazz Festival. Vancouver will give your group plenty of opportunities to learn, explore and showcase your musical talents. This City in British Columbia has everything for your Vancouver performance trip. Vancouver is home to a number of music festivals, including the Vancouver Folk Music Festival, which one of the biggest folk festivals in North America, the Vancouver Children's Festival, the International Summer Music Festival MusicFest Vancouver which occurs in August of every year featuring world, classical and jazz music, and the Vancouver International Jazz Festival, which features a diverse line-up of international performers.
